

AGAVE

Established in 2001

After years of playing local San Diego venues and several line up changes, Agave has settled into their own as a respectable four-piece rock band with a raw and stripped down sound that draws from different styles of rock and reggae and brings them together with a laid back Southern California flair. The band's latest album, *Radiates Your Head* is a positively infectious record that marries varied styles of rock and reggae with old-school punk and Latin overtones. It hits with intensity while simultaneously conjuring up the relaxed nuances of Southern California.

Accomplishments:

- Headlines regularly at local San Diego music venues such as 710 Beach Club, Winstons, The Tiki House, Coaster Saloon, Gallagher's, The Harp, The Griffin
- Performs regularly at private engagements such as weddings, private parties, and corporate functions locally and outside of the U.S.
- Actively performs at major festivals such as Baja Bash, PB Block Party, Adams Avenue Street Fair, Oktoberfest, as well as local charity events
- Released two self-produced albums: *Get Some* and *Radiates Your Head* which have been reviewed in several large-circulation publications
- Has been featured in San Diego Reader Magazine for having the most downloaded song in the month of October, 2008

Agave is comprised of:
